The mission of the Regional Food Bank is to alleviate hunger and prevent food waste.

We work toward this mission by ensuring that all products available for donation reach the Food Bank and are distributed judiciously to our member agencies.

Dear Friends,

We had the good fortune at the Regional Food Bank to work with many long-time supporters and new partners in 2015 to provide greater levels of assistance to the community than ever before. It was very rewarding to see such a generous outpouring of support from all different segments of the community.

Throughout the year, food donations from retail grocery stores and local farms increased significantly. Our Backpack Program grew to serve over 3,000 needy children in 115 schools. More than 14,000 volunteers provided 71,800 hours of service. All of our fundraising events and appeals were successful, and many individuals and community groups organized dozens of special events to raise money and food for the Food Bank. We made major operational improvements at our Food Bank of the Hudson Valley branch, and initiated a new fundraising dinner there that raised \$90,000 in its first year. Most importantly, we provided over 35 million pounds of food and other essential products to our 1,000 member agencies, enough for 29 million meals for our neighbors in need.

We also initiated plans for a much needed expansion of the distribution dock and offices at our Latham facility, and entered into an agreement to install solar on both of our warehouses. These projects will be completed in 2016 and make us more productive, efficient, and green.

We are proud of these accomplishments and grateful to everyone who helped make them possible. We thank our many friends and supporters for their belief in the Regional Food Bank and commitment to serve those most in need in our northeastern New York community.

Sincerely,

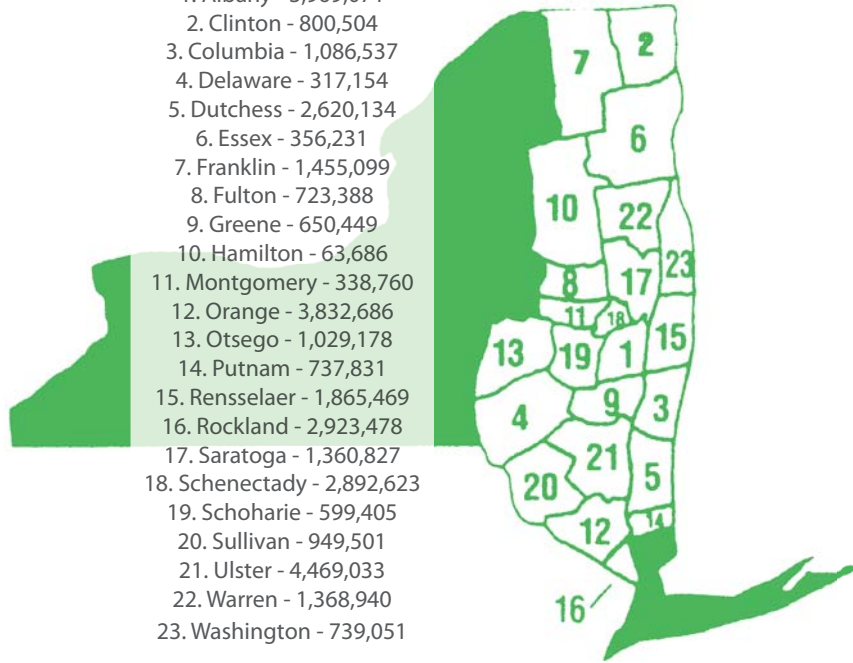

Mark Quandt
Executive Director

time and talent donors

Volunteers play a vital role in the Food Bank's work and allow us to accomplish more than we ever could on our own. We appreciate the gifts each person brings and recognize those individuals and groups that come back time and time again. We are stronger for their many contributions.

thank you

The staff of the Regional Food Bank and Food Bank of the Hudson Valley would like to extend a special thank you to all who helped us in 2015 with food donations, fundraising, volunteer efforts, and in a multitude of other ways. We are grateful for the time, energy, and resources our generous community provided in 2015 to ensure we were able to help as many people as possible during a time when it was so desperately needed.

how you can help

donate time and talent

Volunteers are vital to the Food Bank's operation and contribute in countless ways. Sorting food, picking produce at our farm, or raising money at a fundraising event—there are endless varieties of enjoyable, rewarding tasks that volunteers perform every day.

make a monetary or in-kind donation

Financial donations sustain the Food Bank and enrich the larger community by providing nourishment, dignity, and a sense of sharing to all involved. Funds come from grants, special events, and contributions, and each donation makes a meaningful difference. In-kind donations come in many forms, from printing to paving and more. These donations allow the Food Bank to provide more food to hungry people.

donate food

Food donations are at the core of the Food Bank's work. Food companies donate their edible but unsaleable food, and individuals and organizations conduct food drives at all times of the year. Non-food items like paper goods and cleaning supplies are also donated. These products are provided to food pantries, soup kitchens, and other agencies serving people in need.

spread the word

Did you have a great time volunteering in our warehouse or on the Farm? Spread the word! Let your friends know, and encourage them to volunteer! Find us on Facebook, Twitter, and Instagram to keep up with what's going on at the Food Bank, and share our pages with your friends. With your help, we are alleviating hunger...together.
