The mission of the Regional Food Bank is to alleviate hunger and prevent food waste.
We work toward this mission by ensuring that all products available for donation reach the Food Bank and are distributed judiciously to our member agencies.
Dear Friends,

It was an amazing year at the Regional Food Bank and Food Bank of the Hudson Valley. In addition to our busy day-to-day work, we continued to expand our operations in a number of ways.

Our biggest projects during the year were the expansion of the Regional Food Bank’s office and distribution dock, and the addition of solar to both facilities. We look forward to the much needed extra room and opportunities our expanded building will provide us in 2017 and beyond, and thank the many donors who are making it possible. Once the solar project is complete, it will provide 60% of our energy, saving us more than $500,000 over the next 20 years and making us leaner and greener.

Of course, the bottom line in all we do is the distribution of food and other necessities to our neighbors in need. Despite all the disruptions caused by the new construction, we provided more assistance than ever before – 36 million pounds, enough for 30 million meals. It took massive food donations, generous financial supporters, hard-working volunteers, and a very dedicated staff to make that happen.

Thousands of lives are better today because of the incredible gifts so many people made to the Food Bank in 2016. We thank you all!

Sincerely,

Mark Quandt
Executive Director

how you can help

**donate time and talent**
Volunteers are vital to the Food Bank’s operation and contribute in countless ways. Sorting food, picking produce at our farm, or raising money at a fundraising event—there are endless varieties of enjoyable, rewarding tasks that volunteers perform every day.

**make a monetary or in-kind donation**
Financial donations sustain the Food Bank and enrich the larger community by providing nourishment, dignity, and a sense of sharing to all involved. Funds come from grants, special events, and contributions, and each donation makes a meaningful difference. In-kind donations come in many forms, from printing to paving and more. These donations allow the Food Bank to provide more food to hungry people.

**donate food**
Food donations are at the core of the Food Bank’s work. Food companies donate their edible but unsaleable food, and individuals and organizations conduct food drives at all times of the year. Non-food items like paper goods and cleaning supplies are also donated. These products are provided to food pantries, soup kitchens, and other agencies serving people in need.

**spread the word**
Did you have a great time volunteering in our warehouse or on the Farm? Spread the word! Let your friends know, and encourage them to volunteer! Find us on Facebook, Twitter, and Instagram to keep up with what’s going on at the Food Bank, and share our pages with your friends. With your help, we are alleviating hunger...together.

thank you

The staff of the Regional Food Bank and Food Bank of the Hudson Valley would like to extend a special thank you to all who helped us in 2016 with food donations, fundraising, volunteer efforts, and in a multitude of other ways. We are grateful for the time, energy, and resources our generous community provided in 2016 to ensure we were able to help as many people as possible during a time when it was so desperately needed.
