

HPNAP APPLICATIONS AVAILABLE ONLINE RESPONSE DUE BY FRIDAY, APRIL 12th, 2024

March 1st, 2024

Dear Emergency Feeding Program Representative:

Online applications are now available for funding from the 2024-2025 Hunger Prevention and Nutrition Assistance Program's (HPNAP) Food Grant and Operations Support (OS) Grants.

The **HPNAP Food Grant** provides eligible emergency feeding programs (food pantries, soup kitchens and shelters) with lines of credit to offset orders of nutritious food from the Regional Food Bank and the Food Bank of the Hudson Valley.

The **Operations Support (OS) Grant** is a part of HPNAP funding which provides non-food support to eligible emergency feeding programs for staff, utilities, space, food service paper supplies and other products, transportation, and food service equipment (capital equipment).

Applications can be located on our website at <https://regionalfoodbank.net/agency-resources-and-forms/>. You are encouraged to save the application to your computer first, then type into it before saving, printing and returning it to the Regional Food Bank. If you have any trouble, please consult the "How to Use Fillable Applications" document on the resources page.

Applications must be signed by the Executive Director. If you are sponsored by a church, the Pastor is considered the ED and must sign. If no Pastor, the person legally responsible for your agency's 501(c)3 status must sign as ED.

Please feel free to contact us at 518-786-3691 ext 259 with any questions. We look forward to working with you in continuing our work of ending hunger in our community.

With admiration for all you do,

**Regional
