

EVALUATING PRODUCT

DISCARD GLASS JARS

With dents on the lids

If the lid has a raised pop-up indicator

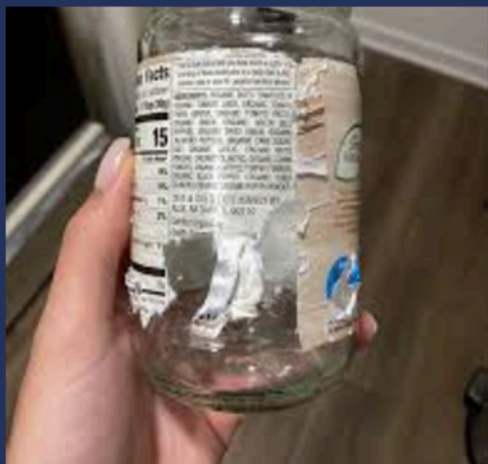

With broken or cracked glass

With dried-on food around the neck or rim of lid

FOOD WITHOUT LABELS

Discard foods that don't have a label that includes the manufacturer's name and address, product name, list of ingredients

Discard items like pudding cups if they lack ingredient labels

Items that fall out of a multi pack can be bagged with the outside label

TAMPER PROOF SEALS

If the outer seal is broken, remove the cap

Bottles with an inner seal can be saved

Check cans with plastic lids (like snacks, nuts, peanut butter, mayo, and dry mixes) for an inner seal

DISCARD CANS WITH

Severe dents and creases

Pull top lids if dented on rim or below rim

Bulging tops or bottoms

Rust spots that can't be wiped away

DISCARD IF

Food contains mold or foreign objects

Food is discolored, has unusual appearance or separation

The inner package is compromised

The package is wet, stained or damaged
