

THE BACKPACK PROGRAM

**Regional
Food Bank**
OF NORTHEASTERN NEW YORK

PROGRAM GOALS AND MISSION

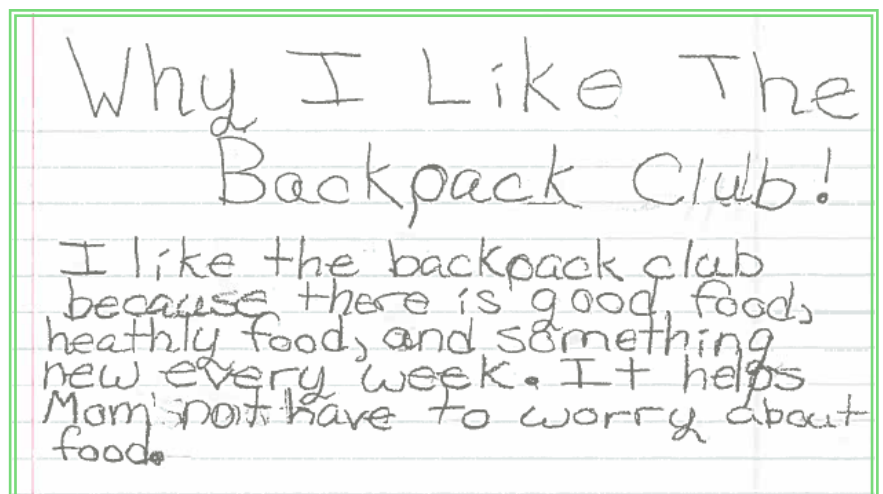

The Backpack Program is designed to meet the needs of hungry children on weekends when school breakfasts and lunches aren't available. The program provides bags filled with food that is child-friendly, nonperishable and easily-consumed. Bags are packed each week by school staff and discreetly distributed to participating children every Friday afternoon.

PROGRAM IMPACT

- Backpack partners with 244 schools in 22 counties, serving over 6,700 children each week.
- Over 200,000 bags were distributed during the 2018-19 school year, the equivalent of 1.2 million meals.
- Over 115,000 pounds of fresh produce was distributed to Backpack students throughout 2018-19.
- Research has shown the Backpack Program helps improve attendance and academic performance and reduce disciplinary actions for participating students.
- Backpack food is typically shared with the family, which helps meet the nutritional needs of the entire household.
- Kids love the fresh fruit because many of them have limited opportunities to enjoy such fresh food.
- The Backpack program helps participating children learn, thrive and grow.

PARTNERING WITH THE FOOD BANK

Partnering with the Regional Food Bank helps schools provide nourishing meals to their neediest students.

The Food Bank creates weekly menus for each school and provides administrative structure and support for the program. Menus are drawn from the Food Bank's large inventory to provide diverse foods at a low cost.

Schools partner with the Food Bank to pick up the food, pack the bags, distribute bags to students, and locally support the program.

Partner schools work with businesses, individuals, and community and religious organizations to financially sustain the program.

Through these partnerships, the Regional Food Bank is able to meet the needs of children facing chronic hunger and food insecurity and advance its mission of **alleviating hunger... together.**

\$183 Cost of supporting one child for a year
