

# THE BACKPACK PROGRAM

**Regional  
Food Bank**  
OF NORTHEASTERN NEW YORK

The BackPack Program is designed to meet the needs of hungry children on weekends when school breakfasts and lunches aren't available. The program provides bags filled with food that is child-friendly, non-perishable and easily consumed. Bags are packed each week by school staff and discreetly distributed to participating children every Friday afternoon.

## PROGRAM IMPACT

- BackPack partners with 252 schools in 22 counties, serving nearly 7,000 children each week.
- Over 200,000 bags were distributed during the 2019-20 school year, the equivalent of over 2.3 million meals.
- In response to the statewide closure of schools due to COVID-19, the BackPack program increased the size of the bags by 2/3 to help families during the crisis. The program also distributed frozen meat and fresh dairy items to schools that had the ability to store and distribute the additional food.
- Research has shown the BackPack program helps improve attendance and academic performance and reduce disciplinary actions for participating students.
- BackPack food is typically shared with the family, which helps meet the nutritional needs of the entire household.
- Kids love the fresh fruit because many of them have limited opportunities to enjoy such fresh food.
- The BackPack program helps
